"Success begins with hard work; Happiness begins with good health." Dr. T.P. Chia

Dear Parent,

Every child is naturally curious and eager to learn. It's our duty to nurture this through joyful and engaging experiences. Summer Vacation is a time to relax and enjoy, while also exploring fun and educational activities. Let this break be filled with creativity, connection, and cherished moments with your child.

General Guidelines

We are sharing a few tips to help make the summer vacation a happy and productive time for your child. Holiday homework is designed as worksheets and projects to keep students connected to learning in a fun and engaging way. Encourage your child to focus on tasks for at least 30 minutes daily.

Guidelines:

1. Guide your child while they work.
2. Revise concepts learned in class.
3. Spend quality time together.
4. Limit screen time with a set routine.
5. Avoid junk food like chocolates, chips, soft drinks, etc.
6. Give small tasks to build responsibility and confidence.
7. Submit work with name, class, and section by **5th July 2025**.
8. Ensure homework is neat and presentable.
9. Parents must submit a short note on how their child spent the vacation.
10. Best holiday homework will be awarded.

Note:

- Classes 1 & 2 will use a mixed notebook.
- Classes 6 to 12 will complete work on assignment sheets.
- Homework must be done by the student with parental support.
